RIYADH

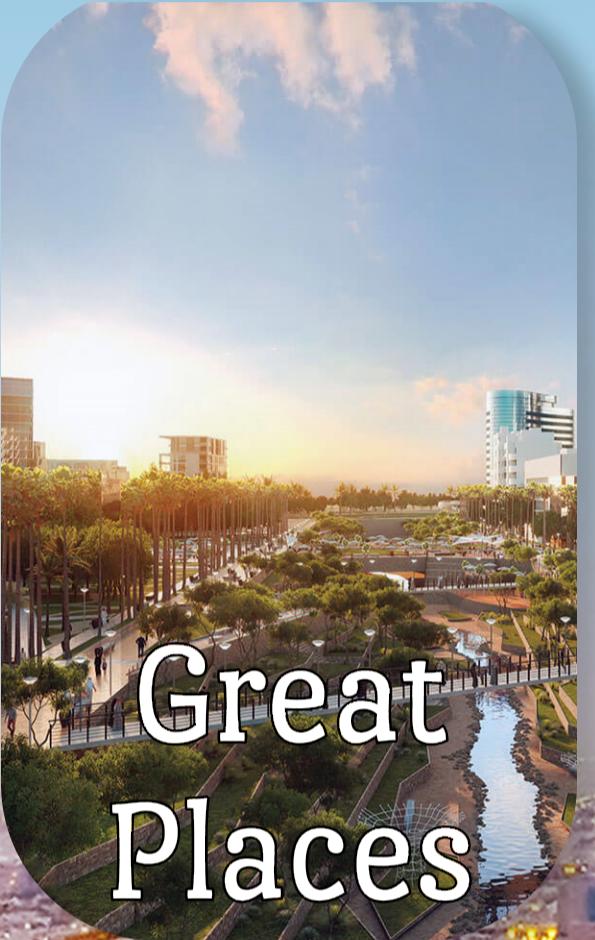

96 km northwest of Riyadh on the way to Sadous lies the magnificent sight of the 'Edge of the world'. Here the cliffs of Tuwaiq Escarpment drop away giving splendid views over the plain below. Edge of the World is one of the points of Tuwaiq Escarpment with deep steep edges. On a foggy day, the whole plain below is an endless sea of haze.

## RIYADH

History

Nature

Riyadh, Saudi Arabia's capital and main financial hub, is on a desert plateau in the country's center. Business district landmarks include the 302m-high Kingdom Centre, with a sky bridge connecting 2 towers, and 267m-high Al Faisaliah Centre, with a glass-globe summit. In the historical Deira district, Masmak Fort marks the site of the 1902 raid that gave the Al Sauds control of Riyadh.
